High F sharp fingering is the same as for high G but the recorder bell is closed with the knee. High D sharp (finger 3) and top F (finger 2) use the bar as well as the covered hole.

Key:  White Circle - Finger hole uncovered         Black Circle - Finger hole covered
      White Rectangle - Key uncovered              Black Rectangle - Key depressed
